SB PROTECT
INSURANCE BROKERS

We've got you covered

Protecting people from the risks of everyday life. At SB Protect we work with you to assess both your current and proposed exposure levels and structure a product portfolio that meets your needs and gives you the appropriate cover at the most competitive price.

We understand, that's why we research hundreds of insurance options to find the most appropriate insurance products. We work with you to assess your insurance requirements both now and in the future. Putting together a range of products that give you the appropriate cover at the most competitive price.

Prepare for the future, recover from the unexpected

We have access to over 160 national and international general insurance products, which means hundreds of options to source the right product at the right price. Our team will guide you through every step of the process removing the jargon so you can easily understand, after all our business grows through referrals, so making sure you have an amazing experience is vital to our success. If a claim should arise, we will help you through every step of the process.

In the event of a claim we will manage the claim with the Insurer on your behalf.

It's good to have options

With over 15 years of industry experience your family is in safe hands with our range of commercial, industry specific, vehicle and personal services.
